do not want them be
and say so it will

Lynone Oct 24th

Dear Sallie

I wrote to your folks after Don came home thanking you for the nice things you sent us and not hearing from you I did not know if you received the letter. We have a suit of clothes that are real good and if you care to have them they would do one of the Boys for every day they were Freds they are to little for Don, now if you do not want them be honest and say so it will not insult me one bit and there is a hat that Don wont wear he always wears caps I dont know what he bought it for he got it last winter and never wore it I got a Card from Adaline

have not answered yet must
do so soon. He are all well
it has been a rainy week
we have not cleaned house
yet. how about the prospects
for getting some apple butter
how much is it a gallon well
I will close hoping you are
all well

Lovingly Dallis

P.S. you will see by the
date of this letter it was written
last week and I never got it sent
we received the basket of fruit
this morning and I can never
thank you enough for it, they
were lovely this is a warm morning
but the rain is gone I am glad
to say hope you are all well

will close for this time

Lovingly Sallie
